BRR Media Broadcasts and October Corporate & Conference Presentations

MacPhersons Resources Limited (ASX:MRP) Managing Director, Morrie Goodz will be presenting in the Brisbane and Sydney regions over the next week, discussing the Company's current strategic plan to complete the Bankable Feasibility Study and an intensive drilling program to extend the mine inventory.

The Company update highlights the significant growth achieved this year and details our timeline to completion of the BFS inputs. The Corporate Presentation was issued on the ASX, today, and is also available online at www.MRPresources.com.au.

Mr Goodz will present at:

- Resources Rising Stars on Wednesday 1 October 2014, at 9:50am, at the RACV Royal Pines Resort, Gold Coast; and
- Gold Investment Symposium, Sydney, Thursday 9 October 2014 at 10:15am, at the Sofitel Sydney Wentworth Hotel.

In addition a BRR video interview has been recorded today and is available by following the link <http://www.brr.com.au/event/127457>, and is also available online at www.MRPresources.com.au.
